

Best Face Forward: the Global Rise of Plastic Surgery

Instructions: Read the selection on Page 31 of your *Views & Viewpoints* student text. Answer the following in the spaces provided. If you need extra space, attach a clearly numbered loose leaf to the back of this sheet.

Your responses will be judged for content and organization as well as basic spelling, grammar, and mechanics.

1. Identify the essay type (narrative, descriptive, argumentative/persuasive, or expository). (1). Explain your reasoning by explaining how the elements of the essay adhere to the essay type's primary purpose and characteristics. (3) = 4

2. Define tone. (1) Identify the essayist's tone here. (2) Through reference to 3 specific examples, explain how her *diction* (specific word choice) helps to convey the tone. (6) = 9

3. Identify Katie Addleman's intended audience. (2) Justify your answer by making at least specific references from the essay. (3) = 5

4. Define coherence (1). Identify specific examples of any 3 methods of coherence used in this essay. (6) = 7

5. Consider your response for question #1. Assess whether or not you feel that Addleman was successful in her essay's purpose and if you learned things about this topic that you'd not previously known. = 5
