English 3201 Name:

Antigone – Unit Assignment

*Respond fully to **1** of the following:

Please staple this sheet to the cover of your assignment. No duotangs, please.

1. Compare and contrast the tragic hero of Creon to another, modern-day tragic hero. Be sure to explain how each character/person fits within the classic archetype and the ways in which they similar and different.

2. Sophocles' message is one that is still relevant in today's society. Identify Sophocles' central message and explain how this theme is conveyed through any three (3) literary elements. You may choose to discuss elements such as minor characters, conflict, setting, dialogue, or irony.
