

Ethics & Social Justice 2106
Final Term Project

Name: _____

- Choose an issue discussed in class (or another issue of injustice) that **incenses** you.

Before you begin, consider:

- What personal experiences and/or acquired information have led you to the belief that there is a social injustice at play?
- Consider what makes you think that your perspective or way is the right way. Ensure that you have examined your topic from multiple angles and have considered, "Is it always this way, in all ways?"
- What is your *a priori*?
- Explain why change is necessary. / What will be the positive results that will accompany the change?

Identify your project type:

- Blood, Sweat, Tears, Time (hands-on volunteering)**

Group /Organization: _____

- Further Research**

Topic: _____

- Improving Public Information/Engagement (Twitter/poster/pamphlet campaign, media awareness, etc.)**

Action plan:

Remember that your work here must incorporate a reasonable and realistic goal for combatting the specified injustice.
