

Ethics & Social Justice 2106
Educational Access - Worksheet #2
He Named Me Malala

1. Identify and explain the barriers to education that were existent in Swat Valley. From whom/what forces did they come? Were they political, economic, ideological, and/or logistical? Explain your reasoning.

Jot notes

2. What societal circumstances allow a single group or power to wield so much influence over a group of citizens? How and why does it perpetuate? How are we as North Americans similar and different?

Jot notes

3. What are your impressions of Malala's father? Is he to be admonished or praised? Is he brave or foolish? Explain your reasoning. How did Ziauddin Yousafzai's beliefs and actions propel his daughter's attitudes about education and activism? How does Malala confront the criticism that her father pressured her to take such risks?

Jot notes

4. How is Malala ordinary? How is she extraordinary? How does she see herself and others? Explain your reasoning.

Jot notes

5. What lessons about social justice are embedded in Malala's story?

Jot notes
